

PRESS RELEASE

LOCKERBIE ENQUIRY – FURTHER STATEMENT

Chief Constable of Dumfries & Galloway Constabulary, Mr. Pat Shearer states:-

“Further to the statement I released yesterday afternoon, Dumfries & Galloway Constabulary are being asked by the media to provide more information on the ongoing review of the Lockerbie case.

It has been reported that new lines of enquiry are being pursued by my officers. I am concerned that the work that is being carried out in conjunction with the Crown Office and Procurator Fiscal Service could be misunderstood.

As is the case in all major police investigations that remain open, good practice dictates that the evidence is reviewed at regular intervals. Recent events in the case simply bring about an appropriate time to take stock of all of the evidence gathered to establish if any new investigative opportunities exist.

It would not be appropriate for me to discuss the review in any further detail but I would like to emphasise this is not a re-launch of the police investigation”
