SCAM WARNING

Police are warning of another scam circulating the region. A number of businesses in Dumfries and Kirkcudbright have been contacted by a caller who states he is a Fire Service Employee and that he is compiling a calendar for the Fire Service and is offering advertising space. The caller then asks for credit card details for payment. Needless to say the Fire and Rescue Service know nothing of this and it is clearly another scam to try and obtain credit card details.

Police and the Fire and Rescue Service are warning businesses to be on their guard and to report any similar approaches to the police as soon as possible.
